A Word from the Holland Point Citizens Association Board of Directors

Our current President, Janie Suss, has chosen to step down as the President of HPCA. In the past 2-years, Janie has brought a lot of energy and professionalism to her duties and responsibilities as our President. The entire Board regrets her decision and collectively is saddened to see her go. Together, we wish her all the best going forward.

In the interim, Jack Bannister, our Association Vice President, has assumed the duties of President until the regularly scheduled August election. The Nominating Committee members for the upcoming election are Nancy Young, Janet Bates, and Kathy Young. The Office and Board positions for election/re-election for the Association are listed below:

Last General Meeting Synopsis – Right before the meeting started, Meredith Page graciously stepped-up a little higher than the rest of us to place the new clock at the Loveless Building. We had a wonderful guest speaker, Catlin Bower, past Representative for the Citizens Advisory Committee that represented the Eastern Section of South County. She provided information to us on Anne Arundel County’s new Land use plan for our area. She welcomed members of our community to be a part of the process for Area 9, which encompasses the Tidal portion of South County from Edgewater to Holland Point. This committee will not be formed until late 2022. New members Donnie Smith and Peter Hooper were acknowledged and welcomed. Before the Officer reports were given, we took a moment to recognize our new Federal Holiday Juneteeth that celebrates the anniversary of General Order #3, which proclaimed the freedom of slaves in Texas. We also recognized our new neighbors to our Community.

- **Welcome to Stacy Allen!**

We finally have our new Recording Secretary Stacy Allen to assist us with the meeting minutes and with getting us through this upcoming election. Service to our community is so very appreciated, please thank Stacy the next time you see her.

- **North Beach – Beach Access**

As many of you know, North Beach requires passes for entry and has a check-in policy available on their website. We also want to make sure you all know we have a special relationship with North Beach that provides Holland Point members with their “In-County” rates.

- **Photo of the Solar Eclipse**

As you all know, we had a beautiful Solar Eclipse here on June 10, 2021. Tom Bragg took a beautiful shot of the eclipse capturing the burning reds and oranges of that early morning eclipse. To provide the picture with more room, it’s been placed on page 4. We are always looking for submissions of feel-good stories and the beautiful shots you take. Feel free to shower me with photos of your July 4th celebrations.
